ABOUT VOLTA FINANCE LIMITED

Volta Finance Limited is incorporated in Guernsey under the Companies (Guernsey) Law, 2008 (as amended) and listed on Euronext Amsterdam and the London Stock Exchange's Main Market for listed securities. Volta's home member state for the purposes of the EU Transparency Directive is the Netherlands. As such, Volta is subject to regulation and supervision by the AFM, being the regulator for financial markets in the Netherlands.

Volta's Investment objectives are to preserve its capital across the credit cycle and to provide a stable stream of income to its Shareholders through dividends that it expects to distribute on a quarterly basis. The Company currently seeks to achieve its investment objectives by pursuing exposure predominantly to CLO's and similar asset classes. A more diversified investment strategy across structured finance assets may be pursued opportunistically. The Company has appointed AXA Investment Managers Paris an investment management company with a division specialised in structured credit, for the investment management of all its assets.

These forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "anticipated", "expects", "intends", "is/are expected", "may", "will" or "should". They include the statements regarding the level of the dividend, the current market context and its impact on the long-term return of Volta Finance's investments. By their nature, forward-looking statements involve risks and uncertainties and readers are cautioned that any such forward-looking statements are not guarantees of future performance. Volta Finance's actual results, portfolio composition and performance may differ materially from the impression created by the forward-looking statements. AXA IM does not undertake any obligation to publicly update or revise forward-looking statements.

Any target information is based on certain assumptions as to future events which may not prove to be realised. Due to the uncertainty surrounding these future events, the targets are not intended to be and should not be regarded as profits or earnings or any other type of forecasts. There can be no assurance that any of these targets will be achieved. In addition, no assurance can be given that the investment objective will be achieved.

The figures provided that relate to past months or years and past performance cannot be relied on as a guide to future performance or construed as a reliable indicator as to future performance. Throughout this review, the citation of specific trades or strategies is intended to illustrate some of the investment methodologies and philosophies of Volta Finance, as implemented by AXA IM. The historical success or AXA IM's belief in the future success, of any of these trades or strategies is not indicative of, and has no bearing on, future results.

The valuation of financial assets can vary significantly from the prices that the AXA IM could obtain if it sought to liquidate the positions on behalf of the Volta Finance due to market conditions and general economic environment. Such valuations do not constitute a fairness or similar opinion and should not be regarded as such.
